Early Years Foundation Stage

We provide a play based environment which focus's on children learning through play and allows children to use role play and imagination, our construction toys and craft activities will help children with their fine motor skills whilst playing football, going on the trim trail etc. will develop them physically.

We provide freely chosen self-directed play for all children. Most of these activities are initiated by the child rather than led by staff. However we do have an adult initiated craft table which has different art and craft activities for the children to join in with everyday and is adapted according to the children's needs and wishes.

Staff

All staff are fully trained for working in an After School Facility.
